Himanshu Gairola - Resume

Aspiring Web Developer | 2nd-Year B.Tech Student
Email: [your.email@example.com] | GitHub: github.com/[your-username] | LinkedIn: linkedin.com/in/[your-

EDUCATION

Bachelor of Technology (B.Tech) - [Your College Name], 2023 - 2027
Branch: [Your Branch / Major] | Current Year: 2nd Year
Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Web Basics

TECHNICAL SKILLS

Languages & Core: HTML5, CSS3, JavaScript (ES6+), Responsive Web Design
Tools & Workflow: Git, GitHub, Browser DevTools, VS Code
In Progress: REST APIs, Async JavaScript, React Basics

ACADEMIC & PERSONAL PROJECTS

1. Personal Portfolio Website
   - Built with semantic HTML5, modern CSS3, and vanilla JavaScript without external frameworks.
   - Features mobile-first responsive design, client-side validation, and WCAG accessibility standards.
2. Responsive Task Manager App
   - Developed a task tracking app using DOM manipulation and browser LocalStorage.
3. Weather Forecast Application
   - Integrated open-source weather REST API using Fetch API and asynchronous error handling.

HOW TO REPLACE THIS PLACEHOLDER:

1. Export your real one-page resume as 'resume.pdf'.
2. Place it into the 'assets/' folder, replacing this file.
